

Bat Mitzvah of Zipporah Kaufman

Zipporah Kaufman lives in New York City in the same apartment where her Grandfather grew up, and every summer she goes to Kansas to visit her cousins and Grandparents on the other side of the family. Zipporah is a gifted artist and a good friend. She hopes to be an illustrator when she gets a job. Zipporah is the youngest child as well as the only daughter. Early in life, she learned to play video games from her three older brothers, Aaron, Reuben, and Boaz. She plays soccer every spring and fall but still loves reading and animals, especially her cats!
