

High Holiday Childcare & Service Information

Dear Parents,

Over the High Holidays, Ansche Chesed hosts a full complement of family and children's services, the details of which can be found to the right. These services are free of charge and do not require advance registration.

In addition, we provide childcare services for children ages 2-8 during morning services on Rosh HaShanah and all services on Yom Kippur, including Kol Nidre and Neilah.

Only registered children are permitted in childcare. If you choose not to register your children for childcare, you must take full responsibility for your children at all times to ensure their safety and to ensure that services throughout the building will not be disturbed. Children who are not pre-registered are not permitted in the childcare rooms.

The childcare registration deadline is Monday, September 23. We cannot guarantee space if forms and payment are received after that date.

For those families also attending family and children's services, our childcare workers will escort your children to the appropriate service. If you are planning to attend either the Mishpacha or the Yigdal service, please meet your children at the service location.

If you have any questions regarding High Holiday childcare or family services, please contact Martin Sivorinovsky, 212-865-0600x216, or via e-mail at msivorinovsky@anscheched.org.

L'Shanah Tovah Tikateyvu - may we all be written for a good New Year!

Childcare space is limited: Parents are not to remain in childcare rooms.

Children are encouraged to bring holiday appropriate games: (i.e. books, puzzles, etc). No electronic games or writing/drawing materials are permitted.

Food: We have light snacks available in childcare on Rosh Hashanah and Yom Kippur. If you wish to bring food for your child, it must conform to Ansche Chesed's kashrut policy, and must be nut-free. Please notify us if your child has any food allergies.

Check in periodically: If your child is to be left in childcare for long periods of time, please check in with the staff at least every two hours.
