Book of Remembrance

Nissan, 5780

O teach us how to number our days,
that we may attain a heart of wisdom.
Mark the innocent, look upon the upright;
for there is a future for the man of peace.

Many loved ones

Remembered by Nahum and Maron Waxman

מתי

"רק המתים לא ימותו"

י.ש.ק.

הם בלבד נותרו לי, רק בהם בלבד
לא ינעץ המוות ספינו החד.

במפנה הדרך, בערב היום
יקיפוני חרש, ילווני דם.

ברית אמת היא לנו, קשר לא נפרד
רק אשר אבד לי קניני לעד.

My Dead

By Rachel (Blaustein), 1890-1931

"Only the dead cannot die." – Y.Sh. Katzenellenbogen

They alone remain with me; they are the only ones
Who are safe from death's sharp knife.

As the road turns, as the day passes
They gather around me quietly, accompany me
silently.

We have a true covenant; a bond that cannot be Undone
Only what I have already lost is what I will possess forever.

We recall with reverence these former
Officers and Directors of Anshe Chesed

We mourn the Anshe Chesed members whom we lost during the past year:
Larry Levi

May the thought of those loved ones whose names are here called to remembrance increase our devotion to the faith in which they lived and died, that the memory of the righteous may become a blessing to us and the whole house of Israel.
